

Scholarship Application for 2012-2013

Submit this application by April 25, 2012 to increase your chance to receive scholarship funds.

The DCCC Foundation is reviewing scholarship applications for the 2012-2013 academic year. These scholarships are provided through the generosity of private donors or organizations in our community who support our students and programs. Some scholarship donors stipulate that preference be given to students meeting certain criteria, so please complete all fields of the application so that we can explore all avenues of scholarship funding for you.

For most of our scholarships, preference is given to students enrolled at DCCC full-time (12 hours or more) with at least 12 semester hours already completed. GPA and academic requirements vary by scholarship.

You must have completed the FAFSA (Free Application for Federal Student Aid) for 2012-2013. If you have not completed the FAFSA at the time this application is reviewed, you will be dropped from scholarship consideration.
