Dear Friends of the College,

Please join us at Sapona Country Club in Lexington on Thursday, May 5th, for the 20<sup>th</sup> Annual DCCC Foundation Golf Tournament to benefit the students and programs of Davidson County Community College. We will once again have morning and afternoon rounds, giving you the choice of an 8:00 a.m. start for Captain's Choice or a 1:30 p.m. start for Modified, Best Two Balls. Gift cards to the Sapona Pro Shop will be given to the top three golf teams in each round.

Plan to join us for a hotdog and hamburger lunch before you begin the afternoon round or after you finish the morning round. To add to the day's excitement, we have a "split-the-pot" putting contest for both rounds.

In these challenging economic times, your support means more than ever! That is why we have increased the opportunities for your support as well as the visibility for each sponsor. Corporate sponsors will have their company logos on the banners and website and in a full-color commemorative program. These and other sponsor benefits have been carefully chosen to ensure that your company's investment is valuable to you.

Golfer and sponsor slots fill up quickly! To reserve your golf slot and ensure that your company receives all the benefits of sponsorship, we need to receive the enclosed form on or before April 15th. To use a credit card, call Jerri Russell in the DCCC Foundation office at 336.249.8186, ext. 6381 or we will be happy to invoice you. We look forward to a great day of "golfing for a great cause" on Thursday, May 5th!

Sincerely,

A handwritten signature in black ink that reads "J. Larry Link". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

J. Larry Link, Chair  
Golf Tournament Committee

# SPONSORSHIP OPPORTUNITIES
