http://www.publicagenda.org/files/pdf/ATD_engaging_faculty_in_student_success.pdf
- CCRC Assessment Series
<http://ccrc.tc.columbia.edu/Publication.asp?uid=845>
(CCRC has gathered and synthesized a large body of research evidence on strategies that may improve the success of community college students. Working papers in the CCRC Assessment of Evidence Series use the research literature to draw conclusions and provide concrete evidence-based recommendations to practitioners, policymakers, and researchers in eight major topic areas: developmental assessment and placement, developmental acceleration, developmental mathematics pedagogy, contextualization of basic skills instruction, online learning, non-academic support, institutional and program structure, organizational improvement)

Books:

- Suskie, Linda. (2009). *Assessing student learning: A common sense guide*. (2nd ed). San Francisco, CA: Jossey-Bass.
