

When employers teach, business grows.

APPRENTICESHIP SUMMIT

04.27.18

8:30am - 12:30pm

DCCC
THE COLLEGE OF
DAVIDSON AND DAVIE COUNTIES

YOU'RE INVITED TO LEARN AND THEN SUCCEED

Please join us for a dynamic, action-based meeting and learn how to develop an apprenticeship program that can profit your business, strengthen our community, and help develop the future workforce.

START THE PROCESS RIGHT HERE.

The Davidson County Community College Apprenticeship Summit will bring together key representatives of state and local agencies to explain the many cost-saving resources and real-world benefits available to forward-thinking businesses that start apprenticeship programs. After a thorough overview, small work groups will divide by industry—IT, Manufacturing, Healthcare and Construction. From there, you can start working on real plans for real programs! This cooperative activity will launch an ongoing apprenticeship consortium between Davidson and Davie Counties.

Help us build this exciting opportunity.
