

Dear Health Care Provider:

One of your patients is requesting accommodations at Davidson County Community College due to a disability. Disability Services will review the medical information you provide and make a recommendation for appropriate services and accommodations in order for the student to equally participate in all programs and services at the college ensuring compliance with Section 504 of the Rehabilitation Act of 1973 and The Americans with Disabilities Act Amendments Act of 2008 (ADAAA).

Often times, as a part of our process for a student to be considered eligible to receive an accommodation, documentation is submitted to the Office of Disability Services to show how a disability substantially limits one or more of the student's major life activities. Information within this verification form should be completed by a qualified health care professional. Current and comprehensive information is required in order to determine appropriate services and accommodations. Accommodations that fundamentally alter the nature of the program, lower or waive essential academic requirements or result in undue financial or administrative burdens will not be granted.

1. All parts of the Disability Verification Form must be completed. Inadequate information, incomplete answers and/or illegible handwriting may delay the eligibility review process by necessitating follow up contact for clarification. The health care provider can attach any reports which provide additional related information.
2. Please complete a Disability Verification Form for each diagnosis to ensure consideration of all aspects of a student's needs.
3. After completing and signing the Disability Verification Form, please fax or mail to Disability Services at the address listed on the form or return the forms to your patient for submitting. The information you provide will be kept confidential in accordance to the Family Educational Rights and Privacy Act (FERPA) and may be released to the student upon his/her request.
4. Documentation for the request of services may take time to process and should be provided as soon as possible.

If you have questions regarding this form or opportunities for your patient, please contact Disability Services at the information listed below.

Thank you for your assistance!

A handwritten signature in black ink, appearing to read 'Whitney Lewis', is written over a light blue circular stamp.
