

How to Schedule Your Advisement Session in StarFish

1. Log into Moodle.

2. Click: Go to StarFish.

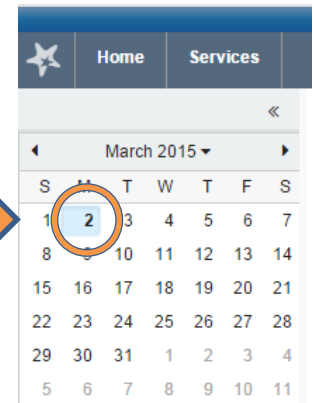

3. Using the Contacts in your Success Network, locate your Advisor.

4. Click: Schedule an Appointment.

5. Using the Calendar, locate a **bold** date. The bolded date signals that your Advisor has a Advisement Session available that day. Click that **bold** date.

6. You will see your Advisor's available Advisement Sessions for that day on your screen. Find the Session that best fits your schedule.

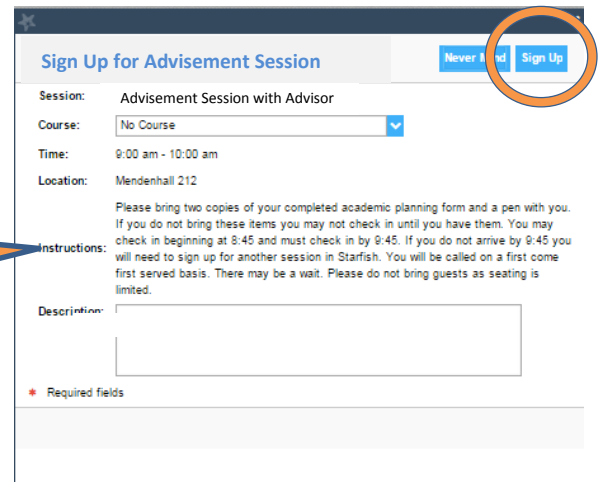

Do NOT miss class to attend an Advisement Session.

Click: Sign-Up

7. A window will pop-up with your selected date and time. This window gives you instructions from your Advisor on how to be prepared for your Advisement Session. Click: Sign-Up (*Do NOT select a course*)

Read and Follow Instructions!

8. Once you have selected a date and time that works with your schedule and clicked Sign-Up, you will receive an email from StarFish (to your DCCC Email) confirming your Advisement Session date and time.
