

Registering for Classes in Student Planning

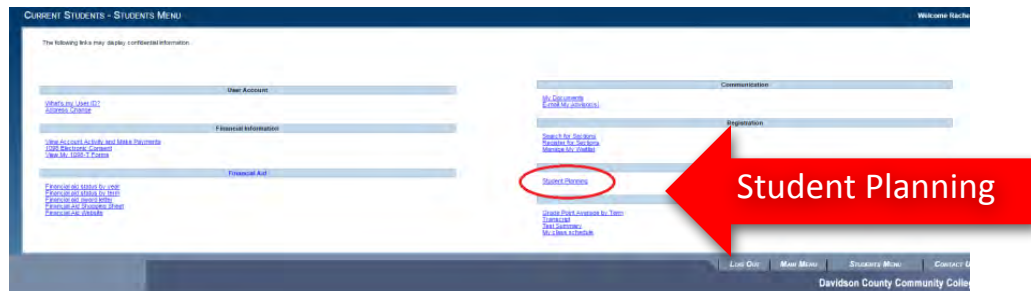

1. From DCCC's homepage, click on **Current Student** and then click on the **StormTrac** icon.

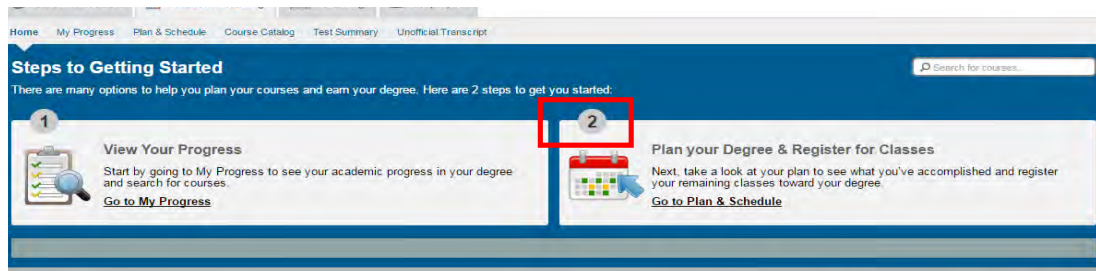

2. Using your DCCC Username and Password, login to your StormTrac account.

3. In the Academic Planning area, click on **Student Planning**

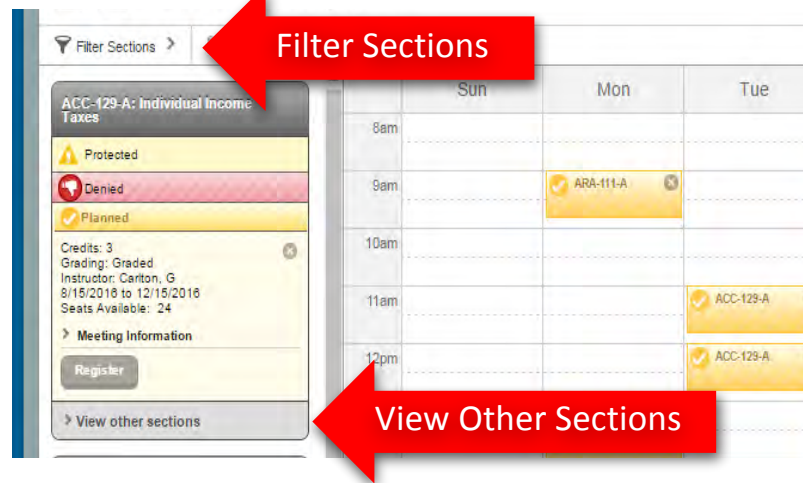

4. Click Option 2; **Plan your Degree & Register for Classes**

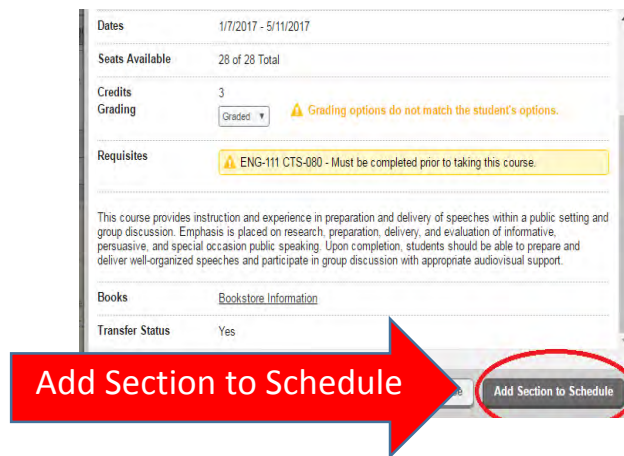

Registering for Classes in Student Planning

5. Classes approved by your advisor will show up in the left column. Use filter sections option to filter to select Davidson or Davie campus. Click on view other sections to see all class offerings for the semester

6. Once you find the section you'd like to register for, click on the section and select Add Section to Schedule

7. After you have selected a section for each class, it will show up on the calendar. You must then select Register Now to complete the registration process
