Readmission

Davidson County Community College recognizes that circumstances may cause a disruption in the progress of a student toward the completion of his/her course of study and that the student may find it necessary to withdraw from his/her program of study or from the College. The student is encouraged, when the circumstances which caused the disruption in academic progress have been corrected, to contact Enrollment Services to apply for readmission to the program and/or the College in order to complete his/her course of study.

Students who have been suspended for disciplinary or academic reasons or have been administratively withdrawn from the College must apply for readmission. Consideration of requests for readmission of students who have been suspended for any reason will be made in light of the applicant's prior academic and disciplinary record, evidence of growth and maturity, good citizenship record, credits earned at another institution, and time elapsed since leaving the College.

Students readmitted to the College after an academic or disciplinary suspension will automatically be placed on probation for a period of one semester and may be required to participate in an appropriate support program as a term of probation.

Students seeking readmission after an administrative withdrawal period are required to submit written documentation from a health care provider demonstrating that he/she is emotionally, psychologically, and/or physically ready to resume study. Documentation must explicitly state that (1) the student has complied with treatment; (2) the student is stable and ready to return to the unstructured and sometimes stressful college environment; (3) the student has addressed issues that led him/her to be withdrawn from school; and (4) it is in the best interest of the student to return to school. A diagnosis, prognosis, and recommendation for follow-up treatment should also be included. The Dean, Student Services and Enrollment Management, in collaboration with appropriate faculty and staff, will review information supplied by the student and the student's prior academic and disciplinary records. Readmission may be granted upon the Dean's satisfaction that the student is prepared to return to the College.

Students expelled from the College will not be considered for readmission.

Readmission to a health program is limited to one time.
