

DAVIDSON COUNTY COMMUNITY COLLEGE

Students

HIGH SCHOOL STUDENT ENROLLMENT

PROCEDURE 5.1.1.2

I. Enrollment of High School Students

The College provides seamless opportunities for high school students to get a head start with their college education by enrolling in eligible pathways through Career and College Promise (“CCP”). Enrollment in identified courses is available to students enrolled in public and private schools and home schools.

II. High School Pathways Career and College Promise (CCP) provides seamless dual enrollment educational opportunities for eligible North Carolina high school students to accelerate completion of college certificates, diplomas and associate degrees that lead to college transfer or provide entry-level job skills. The College may offer the following CCP pathways aligned with the K-12 curriculum, career and college ready standards adopted by the State Board of Education:

- A.** College Transfer Pathway, leading to a college transfer certificate requiring the successful completion of thirty-two (32) semester hours of college transfer courses, including English and mathematics;
- B.** Career and Technical Education Pathway, leading to a certificate or diploma; and
- C.** Cooperative Innovative High School Pathway.
- D.** Career and Technical Education and Workforce Continuing Education leading to a state or industry recognized credential.

Tuition is waived for CCP students; however, all CCP students taking classes with the College, except for those in Cooperative Innovative High School Programs, may be required to purchase their own textbooks and supplies required for their classes. Transportation for high school students will not be provided by the College.

The College will develop specific and uniform admission criteria and program requirements for CCP enrollment.

III. Exclusive College Programs for Minors

Unless they are participating in a CCP program, the College cannot offer enrollment options for students who are under the age of sixteen (16) unless they have earned a high school diploma.

Adopted: April, 2020
