DISCIPLINE AND APPEAL FOR NON-ACADEMIC VIOLATIONS
PROCEDURE 5.3.2.2

OVERVIEW

The Student Code of Conduct Officer (“Conduct Officer”) is responsible for implementing these Procedures.

These Procedures apply to non-academic violations defined in Policy 5.3.2 – Student Code of Conduct. For academic-related violations, see Procedure 5.3.2.1 – Discipline and Appeal for Academic Violations. For issues regarding sexual harassment and sexual violence, see Procedure 5.3.4.1 – Sexual Harassment and Sexual Violence and for issues related to other forms of unlawful discrimination, see Procedure 5.3.4.2 – Unlawful Discrimination.

SANCTIONS FOR VIOLATIONS

The following sanctions may be imposed for non-academic violations:

- A.** Verbal Warning. Oral notice that continuation of specified conduct may be cause for more severe disciplinary action.
- B.** Reprimand. Written communication which gives official notice to the student that any further disciplinary offense will carry heavier penalties because of this prior infraction.
- C.** Disciplinary Probation. Disciplinary probation results in loss of good standing and becomes a matter of record. While on disciplinary probation, the student will not be eligible for initiation into any local or national organization and shall not receive any College award or other honorary recognition. The student may not occupy a position of leadership or responsibility with any College or student organization, publication or activity. This sanction prohibits the student from officially representing the College or participating in any extracurricular activities including intramural competitions. Disciplinary probation will be in effect for not less than two (2) semesters including the current semester. Any further disciplinary offenses while under disciplinary probation will result in the student’s immediate suspension.
- D.** Restitution. Restitution is paying for damaging, misusing, destroying or losing property belonging to the College, College employees or students. Restitution

may take the form of financial payment or appropriate service to repair or otherwise compensate for such damages.

- E.** Withholding Academic Records and/or the Right to Register. Withholding transcripts, diplomas or the right to register or participate in graduation ceremonies is imposed when a student's financial obligations are not met or the student has a disciplinary case pending final disposition.
- F.** Temporary Suspension. Temporary suspension is the exclusion from all College property and all College activities pending the resolution of a disciplinary proceeding.
- G.** Disciplinary Suspension. Discipline suspension is the exclusion from all College property and all College activities for a specified period of time. This sanction is reserved for those offenses warranting discipline more severe than disciplinary probation. A student under disciplinary suspension must receive specific written permission from the Vice President before returning to campus. Disciplinary suspension appears on the student's academic transcript.
- H.** Expulsion. Expulsion is dismissing from the College. The student may be readmitted to the College only with the approval of the President. Expulsion appears on the student's academic transcript.
- I.** Group Probation. Group probation is given to a College club or other organized student group for a specified period of time. If group violations are repeated during the term of probation, the charter may be revoked or activities restricted.
- J.** Group Restriction. Group restriction is removing College recognition during the semester which the offense occurred, or for a longer period (usually not more than one other semester). While under restriction, the group may not seek to add members, hold or sponsor events in the College community or engage in other activities as specified.
- K.** Group Charter Revocation. Revocation is the removal of College recognition for a group, club, society or other organization for a minimum of two (2) years. Re-charter after that time must be approved by the President.

In addition to the above stated sanctions, the College may require counseling. The student may be required to attend one or more counseling sessions with a licensed professional counselor. The student may be required to complete counseling before returning to the College after a period of suspension or expulsion. The student must provide written documentation from the licensed professional that the requirement has

been met. Additionally, if required by the Conduct Officer, the student must also provide a statement from the licensed professional that the student is able to return to class based on his/her professional judgment. The student may be referred to the College's licensed professional counselor at no charge or elect to use his/her own licensed professional counselor and bear the cost.

IMMEDIATE REMOVAL FROM CAMPUS

If an act of misconduct threatens the health, safety or well-being of any member of the academic community and/or seriously disrupts the function and good order of the College, an instructor/staff member will immediately notify any College Vice President who will immediately meet with the student and direct the student to cease and desist such conduct and advise the student that failing to cease and desist will result in an immediate removal from campus. If the student(s) fails to cease and desist, or if the behavior is such that the student(s) needs to immediately be removed from campus, the College Vice President may then immediately have the student(s) removed from campus.

The College Vice President invoking the removal shall notify the Conduct Officer in writing of the student involved and the nature of the infraction as soon as possible but no more than one (1) working day following the incident. Upon receipt of the College Vice President written notice, the Conduct Officer shall meet with the student as soon as possible to allow the student to present his/her side. If, in the Conduct Officer's opinion, the student behavior threatens the health, safety and well-being of the College community, the Conduct Officer shall place the student on temporary suspension pending the outcome of the disciplinary matter. Temporary suspension may be imposed only: (a) to ensure the safety and well-being of members of the College; (b) to ensure the student's own physical or emotional safety and well-being; or (c) if the student poses a direct threat of disruption or interference with the normal operations of the College.

DISCIPLINARY PROCEDURES

In order to provide an orderly system for handling student disciplinary cases in accordance with due process and justice, the following procedures will be followed:

After discussing the alleged violation with the student, the Conduct Officer may act as follows:

1. Drop the charges;
2. Impose a sanction; or
3. Refer the student(s) to a College office or community agency for services.

All disciplinary actions should be progressive in nature and should take into account the totality of the situation; however, depending on the severity of the infraction, even first time offenses could result in suspension or expulsion.
